## A Leg Up Ballet Academy Medical Waiver

Dear Parent:

Please read carefully. Your child will not be allowed to participate in classes until this release is received by the studio.

“I am aware that dancing, and gymnastics exercises associated with it, place stress on the body and have the possibility and risk of physical injury.”

On behalf of my child or myself (if not a minor), I assume this risk and agree that the A Leg Up Ballet Academy SHALL NOT BE LIABLE IN ANY WAY for injuries sustained during attendance at the school, or any related functions.

COVID-19 is a respiratory disease that can result in serious illness or death, is caused by the SARS-CoV-2 virus, which is a new strain of coronavirus that had not been previously identified in humans and can easily spread from person to person. The virus is spread between individuals who are in close contact with each other (within about six feet) through respiratory droplets produced when an infected person coughs or sneezes. It may be possible that individuals can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose or eyes. Our equipment and facility is regularly cleaned and follows suggested guidelines for best practices for our equipment and facility.

- ★ NO messy buns
- ★ Pink waist elastics are required for students in Ballet 2 and above.
- ★ Black pointe skirts are to be worn for pointe class.
- ★ Boys- White t-shirts and black shorts or pants with black ballet shoes. Please no writing on shirts

## Costume Maintenance Fundraiser

A Leg Up Ballet Academy has the privilege of performing twice during our season. We perform The Nutcracker in December and a Spring Ballet (TBA) in late May/early June. A Leg up Ballet Academy **does not** require our families to purchase costumes for performances. We have a costume maintenance fundraiser prior to The Nutcracker and the Spring Performances. The fundraiser is crucial to maintain the quality costumes that are an integral part of the performances that A Leg Up Ballet Academy has become known for.

What does the money for the fundraiser go towards? Don't we already have costumes?

Yes. We do have costumes. However, the studio is growing and so for each performance, new costumes need to be purchased. These costumes can cost as much as \$75 or more each! Each child might wear 2+ costumes per performance. You can see how this adds up. Also, the money goes to make alterations and repairs to current costumes, as costumes need to be adapted and changed to meet the needs of each performance and the current performers. Additionally, extras need to be purchased such as headpieces, gloves, props, and all sorts of little "extras" that make everything look polished.

Why can't I just buy my child's costume and keep it like some of the other studios do?

A Leg Up is a different type of studio than other dance studios. We perform actual ballets, as opposed to doing recitals where there are a number of individual performances where you have a separate costume for each performance. Therefore, we are able to use our costumes over again just like professional ballet companies. It really works out best for you. At \$75 per costume, with 2 per performance, and 2 ballets a year, you'd end up spending \$300 in costumes!

## Attendance

If your child will be absent from class, we ask that you call or email and with your child's name, the class that they attend and the reason for their absence. **Students are responsible for tuition payments whether they attend a class or not.** Classes may be made up in the same or lower level classes.
